

Guide for providing a student reference on the Vinifera EuroMaster website

Thank you for agreeing to provide a reference for a student applying to Vinifera. The student will fill in an online application form which is used to calculate their ranking using a point system according to their previous experience and educational background. Your reference is crucial in this process. You can find out more about the Master on the website given below.

When the student fills in the application, he/she submits your email address to us. You will be sent a login ID which is your email address, and a password. To complete the short form, please go to the homepage of Vinifera (www.vinifera-euromaster.eu) and find the login area at the top right hand of the screen. Login using the information sent to you.

Your comments on the candidates are very important to us. Please provide as much information as possible. As you type the first two boxes will expand to fit your text. You can save the document at any time and return to it, and Submit once you have finished. *NOTE: If we have not received your reference before the application deadline (provided on our website – dated according to whether it is the first or second call), the candidate’s application will not be processed or will miss valuable information.*

If you have problems with your login, you can, request a Word version by email to vinifera@supagro.fr Please enter the SURNAME of your student in the subject heading of all correspondence.

NOTE: If you forget to SAVE the document online before pressing submit, your information will be lost.

When your comments are finished, please print the page first for signing, to authenticate your reference. Please send a **signed**, scanned copy of the document in pdf format to us at: vinifera@supagro.fr. We do not require a copy in the post.

Once the reference is safely printed for scanning, you can press ‘SUBMIT’ in order to add your comments to the candidate’s online application form.
